# What makes Nutraotic so unique

## Convenient & easy to use

Nutraotic Ear Cleaning Wipes are soft and durable with a textured surface to quickly lift dirt and debris. Regular use reduces ear odour, providing a clean, balanced and dry ear canal.

## Cleans & soothes

Nutraotic Ear Cleaning Wipes are formulated with a gentle cleansing solution, which can be used daily if required to clean ears and soothe itching and skin discomfort.

## Reduces ear odours

Odours are a common problem associated with fungal and bacterial build up. Nutraotic Ear Cleaning Wipes use a fresh scent of cucumber and melon to help mask the smell while the ear resolves itself.

## Help reduce wax build-up

Nutraotic Ear Cleaning Wipes are durable enough to remove even stubborn wax build-up and are perfect to wipe away excess following the use of an ear cleanser.

## Non irritating formula

The solution has been developed to calm and soothe ears. It doesn't contain any harsh ingredients.

## Anti-bacterial & anti-fungal

The combination of ingredients within Nutraotic Ear Cleaning Wipes have been shown to have effective anti-bacterial and anti-fungal properties.

## Aloe Vera

Nutraotic Ear Cleaning Wipes contain aloe vera to moisturise dry and irritated skin, helping soothe and reduce itching and discomfort in the ears. It aids the body's natural anti-inflammatory processes whilst being gentle to the skin.

## Chloroxylenol & Salicylic Acid

The inclusion of chloroxylenol and salicylic acid help contribute to the anti-bacterial and anti-fungal properties of Nutraotic Ear Cleaning Wipes.

## EDTA

EDTA enhances the anti-microbial effectiveness of the cleaner by disrupting bacteria cells walls, making the bacteria more susceptible to other anti-microbial agents. Its buffering action helps to create a solution that is less irritating to the sensitive ear canal, improving overall comfort.

## Vitamin E

Vitamin E is a powerful antioxidant which aids the skin cells and helps to support the ear canal. Tocopherol also aids the integrity of the skin barrier, promoting overall health.

## Ingredients

Water, glycerine, polysorbate-80, dioctyl sulfosuccinate, chloroxylenol, salicylic acid, disodium EDTA, aloe barbadensis (aloe vera) leaf extract, fragrance, sodium hydroxide, propanediol, vitamin E, FD&C blue #1.

## Direction for use

Gently rub accessible portion of ear with pad. Repeat with a clean pad until pad is free of dirt.

Use daily to maintain healthy ears. Safe for dogs, puppies, cats and kittens. For topical use within the ears.

*I was lucky enough to have been given some Nutraotic wipes for my dog Frank who seems prone to dirty ears and is constantly messing with them. These wipes were quick and easy to use and had a nice fresh smell, can't fault them.*
