Pet Ready Soothe & soften conditioner

Soothes dry, flaky skin

Soothe & Soften Conditioner contains a unique set of ingredients that have been utilised for their anti-inflammatory properties. It helps reduce flaking, whilst restoring suppleness and moisture to the skin.

Reduces itching & scratching

Utilising the combined benefits of aloe vera and oatmeal, Soothe & Soften Conditioner provides soothing natural relief from dry, itchy and sensitive skin.

Includes fatty acids

Rich in omega-3 fatty acids that help to naturally reduce inflammation around hair follicles. Soothe & Soften Conditioner soothes irritation and redness and reduces itching and dandruff. It also helps to keep a pet's coat sleek and shiny.

Nourishes & hydrates

The special emollients and omega-6 within Soothe & Soften Conditioner help restore natural moisture to the skin. Reduces skin dryness and flaking whilst restoring suppleness.

Hypoallergenic formulation

Soothe & Soften Conditioner utilises a hypoallergenic formulation to prevent irritation to sensitive skin.

Fresh scented formula

The scent used within Soothe & Soften Conditioner has a fresh, tropical aroma that is fruity, summery and long lasting.

Cod liver oil

Cod liver oil is rich in omega-3 fatty acids that helps reduce inflammation around hair follicles. Soothes irritation and redness, and reduces itching and dandruff. It also helps to keep your pet's coat sleek and shiny.

Aloe leaf juice

Aloe barbadensis leaf juice is commonly used for its soothing and hydration benefits, as well as skin calming effects.

Oat protein

Oatmeal can help soothe, dry, itchy skin. Oats are rich in B vitamins and linoleic acid, a type of omega-6 fatty acid. B vitamins play a key role in skin health.

Ingredients:

Water, cetearyl alcohol, PEG-40 hydrogenated castor oil, stearylalkonium chloride, polysorbate-60, aloe leaf juice, hydrolysed oats, glycerin, dimethicone, hydrolysed wheat protein, piper methysticum (kava kava) root extract, chamomilla recutita (matricaria) extract, retinyl palmitate (vitamin A), cod liver oil, tocopheryl acetate (vitamin E), carthamus tinctorius (safflower) seed oil, fragrance, methylchloroisothiazolinone, methylisothiazolinone, sodium hydroxide.

Directions for use:

Shake well before using. For best results use after after Soothe and Shine Shampoo. Apply evenly over and into the coat and rub in. Rinse well and repeat the procedure if desired. May be used as often as necessary.

I used Pet Ready Conditioner on my Frenchie, 'Frank' who has sensitive skin at the moment. I was really pleased with the results, his coat was soft and really shiny and doesn't seem to have irritated him which is great. Highly recommend.
