Soothe & cleanse cleaning wipes for dogs & cats

Formulated with a blend of natural ingredients including aloe vera and hydrolysed oats, these wipes help to cleanse and nourish the skin on application by utilising a large moist non irritating sheet. Perfect for spot cleaning, deodorising, moisturising and removing moulting hair from a pet's skin and coat, including those hard to reach areas such as skin folds.

Soothe & cleanse cleaning wipes

Thick textured wipes

Soothe & Cleanse Cleaning Wipes are perfect for body, ears, paws and around the eyes and bum. The thick texture of the wipes helps make cleaning fast and effective. They're also suitable for smooth or long haired coats.

Cleanses & moisturises

The unique blend of natural ingredients ensures the skin is cleansed and nourished with the moist wipes able to nourish even those hard to reach places.

Gentle on skin

The soft and gentle wipes have been developed to calm and soothe pets with sensitive skin by utilising a hypoallergenic formula including aloe vera and oatmeal.

Fresh scented formula

The scent used within Soothe & Cleanse Cleaning Wipes has a fresh, tropical aroma that is fruity, summery and long lasting.

Soothes dry, flaky skin

Soothe & Cleanse Cleaning Wipes contain a unique set of ingredients known for their anti-inflammatory properties. This helps reduce flaking whilst restoring suppleness and moisture to the skin.

Hypoallergenic formulation

Soothe & Cleanse Cleaning Wipes utilise a hypoallergenic formulation to prevent irritation to sensitive skin.

Enriched with aloe vera

Aloe vera is commonly used for its soothing and hydration benefits, as well as skin calming effects. This green plant is rich in essential nutrients with antioxidants, anti-inflammatory, anti-bacterial, anti-viral, antiseptic and wound healing properties (Hekmatpou et al. 2019).

Oatmeal

Oats have long been used to clean the skin due to their naturally occurring compounds (saponins) which are antioxidants and antimicrobial. They help protect and nourish the skin, adding body and shine to hair.

Ingredients:

Water, glycerin, polysorbate 80, cocamidopropyl, betaine, poloxamer 184, fragrance, aloe leaf juice, hydrolysed oats, tropical fragrance, methylisothiazolinone.

Directions for use:

Use as often as necessary to keep a pet's skin and coat clean and free of dirt and debris.

I use regularly to clean up my chocolate lab & golden doodle. Good for all their doggy parts. I keep a tub in my car to clean them up before heading home from a day at the park. Recommend trying.

Tony
